Attorney Docket No.: 14572P-067410US

## **BAG INCLUDING A CONTOUR PANEL**

## ABSTRACT OF THE DISCLOSURE

A bag for carrying various articles includes a contour panel that is curved towards the user. The bag includes a body and a strap coupled to the body for engaging a users body above the user's arms. The contour panel is adjacent a side of the body and is positioned such that it is between any articles within the bag and the user.
